## Performance Award Time Comes Early for AccountMate Partners

**PETALUMA, CA (March 2, 2011)**— AccountMate Software Corporation has just released the names of the recipients of their 2010 Performance Awards. These are annual awards which are based on performance excellence and outstanding partnering.

Some awards are based on revenue generation criteria while others are based on a more subjective level decision involving exemplary partnering with AccountMate and its resellers or vertical solution providers. These awards will be presented in person at the three 2011 Roundtables in San Francisco, Chicago and Newark in September, 2011.

**The AccountMate awards are:**

**Advanced Network & Computer Services, Inc.**

Director of Sales Award for Recognition of Outstanding Partnering to  
**Microtask Consulting, Inc.**

The two President's Award recipients were selected by David Dierke, AccountMate's President and CEO.

One President's Award went to Microworks who was established in 1987 in California as a reseller of PCs and other computer hardware. As the marketplace matured, the company shifted from general hardware and software sales to providing more robust business

solutions. Microworks has become a highly focused modifiable business accounting solutions provider to small and medium sized businesses throughout California's central agricultural regions. Microworks recently closed a sale taking just over 12 months of onsite client specification and feature conformation for the largest grower and processor of California raisins and raisin products in the world.

The other President's Award went to AutoStar Solutions, located in Fort Worth, Texas. AutoStar is an industry leader in business applications for automobile dealerships and finance companies. Their company mission is to provide the world's most innovative Dealer Management System that enables customers to become more efficient in every aspect of their business. AutoStar was one of AccountMate's first Business Partners during the days of DOS and today has advanced to become one of our largest providers. The AutoStar software enables their clients to manage and integrate key business operations to better bottom-line results.

AccountMate Software Corporation appreciates the efforts that went into winning these prestigious awards. AccountMate is proud to have these 2010 Performance Award Winners amongst the entire group of valuable AccountMate solutions providers and vertical solution partners that make up AccountMate's global community.
