

SPS COMMERCE
INFINITE RETAIL POWER™

Cloud EDI for AccountMate

Product Description

Every day, more trading partners require EDI as the only method of exchanging critical business documents, such as purchase orders, shipping and packing information and invoices. With SPS' Cloud EDI solution for AccountMate, integrate once to the industry's largest network of retailers, manufacturers, distributors, third party warehouses and more. Keep costs low with our subscription-based service, while avoiding the complexity of doing EDI in-house. We'll help you exceed the expectations of your current customers, while getting the attention of coveted new partners that are already part of our expansive network.

Company Profile

SPS Commerce is the retail industry's largest trading community with more than 60,000 customers in over 50 countries. Tens of thousands of partners across the globe trust us to perfect their trading partner relationships. SPS Commerce sharpens omnichannel retail supply chains allowing business to advance at the pace of the consumer through a collaborative network community and the latest in cloud-based solutions.

KEY FEATURES

- Tightly integrated with AccountMate SQL & Express via our widely adopted Retail Standard XML
- Unlimited support and training, with proactive data monitoring and error resolution
- Integrate your highest volume customers with AccountMate and manage lower volume customers on our web based solution.
- Leverage other solutions on the SPS Commerce Retail Network: POS Analytics, Item Data Management and Item Sourcing to take your trading partnership relationships to the next level.
- SPS Commerce (NASDAQ: SPSC) is one of the largest providers of cloud-based EDI and retail performance analytics in the world, with more than 60,000 customers in 60 countries and over 1,200 employees

PRODUCT COMPATIBILITY

AccountMate SQL and Express (Ver. 6, 7, 8, 9) via our widely adopted Retail Standard XML
